

CHEBOYGAN HOCKEY ASSOCIATION COVID **HEALTH SCREENING PROTOCOL**

Per the District Health Department, a Health screening is REQUIRED **EACH TIME** a Player/Coach/Visitor enters the, the following protocol **MUST** be followed **PRIOR** to entering the building:

1. **Players (or their Parents) Coaches, Referees and Visitors must complete** screening questions consistent with the Health Department directives. To access the screening questions, scan the QR code below (*use your phone's camera using a QR App to hover over the code, and you will be directed to the online screening questions*):

OR use the direct link: <https://forms.gle/WMc3yqCkCmDuEkY79>

2. If you answer "Yes" to any of the screening questions:
 1. You may **NOT** enter the Rink.
 2. You **MUST** contact your Coach or Association Rep immediately.
 3. You are **Prohibited** from entering the Cheboygan Hockey Rink for:
 - a. Have had a fever in the past 3 days.
 - b. 10 days since experiencing the last of any COVID symptoms.
 - c. 14 days if the player/coach or Spectator was in close contact with a person diagnosed positive with COVID-19.
 - d. 14 days following any activity or travel not in compliance with recent DHHS requirements.
 - e. In addition, you are advised to contact your primary care physician's office for direction. Self-quarantine is recommended using the guidelines above.

MDHHS Epidemic Order:

Capacity Limits of Attendance at Non-Residential Venues:

- Fixed Seating: no more than 500 persons are gathered, and attendance is limited to 20% of the seating capacity of the venue.
- Gatherings at recreational sports and exercise facilities, such as gyms, fitness centers, recreation centers, bowling centers, roller and ice rinks, and trampoline parks, may not exceed 25% of total occupancy limits and are not allowed unless there is at least six feet between workout stations.
